HAS INDIAN PROGRAM

TEMPE, March 18.—One of the best programs ever given by the Tempe Woman's club was presented at the home of Mrs. O. C. McNary Friday afternoon.

Mrs. Louise Pilcher's talk on the education of the Indian was interesting and well received. Mrs. Pilcher's father was the first superintendent of public instruction of Indian schools in the United States and Alaska and she was his private secretary for several years. She illustrated her talk with pictures of the different tribes, villages, buildings, etc. which she told about. She showed the club a head belt which had been given to her father by a chief. The design and blending of colors was remarkable.

Mrs. McNary gave a most interesting and instructive talk on Indian lore. A very beautiful and valuable collection of Indian curios, including bead work, baskets, pottery and numerous other things used by the Indians, was on display.

Mrs. S. A. Coe gave a pleasing and appropriate reading, she was accompanied by her daughter, Mrs. H. Q. Morton. The afternoon was greatly enjoyed by every one present.

An operation for skin grafting was performed on Edward Valenzuela at the Calhoun hospital Friday morning, and he was reported to be doing nicely late in the afternoon.

WOODMEN OF WORLD
CLOSE CONVENTION
IN SOUTHSIDE CITY

MESA, March 18.—Selection of Albuquerque as the place of the convention two years hence and the election of officers for the ensuing term, Amos A. Betts of Phoenix being chosen head consul, were the principal items disposed of by the Woodmen of the World before the close of the convention here Friday evening. Delegates who came to make the trip will be taken to the Roosevelt dam in a motorcade Saturday, the four-day convention in Mesa of the Arizona-New Mexico district coming to a final close with the return of the party Saturday night.

Albuquerque won the honor as host to the camp in its next bi-annual convention in 1923 without a great deal of discussion. Other New Mexico cities made a bid for the convention, Santa Fe and Silver City being chief among them, but a unanimous decision was finally made in favor of Albuquerque.

Thursday evening was given over to the competitive drill match between the Glendale and Phoenix teams, the Glendale team winning the judge's decision. The drill was held on North Macdonald street and in addition to the lodge members there were hundreds of townspeople out to witness the maneuvers.

Election of officers occupied the greater part of the time at the convention Friday morning. Amos A. Betts of Phoenix being elected head consul without opposition. J. E. Leck was elected head adviser and W. J. Collins of Clifton was made head clerk. J. McFadden of Douglas was elected head banker and Dr. A. M. Grissom of Dawson, N. M., was chosen head escort. A group picture of the more than 100 delegates was taken on the steps of the Mesa city hall following the close of the morning convention.

Delegates were entertained in Phoenix by the camp there Friday evening and will be guests on the motorcade to the dam Saturday. The party will leave Mesa at 6 o'clock Saturday morning, leaving the dam at 2 o'clock in the afternoon.

Tempe normal had little difficulty in defeating Mesa high yesterday afternoon, increasing an already big lead in the valley school baseball league. Normal hammered two Mesa twirlers for 18 hits, scoring 14 runs, while Mesa was hard put to finish with two scores.

The heavy hitting of Normal was the only feature of the game. Lauffer started for Mesa, but was relieved in the seventh inning after Normal reached him for 15 hits and 14 scores. Newell, who relieved Lauffer, held the Normal boys to two hits. Ruse worked behind the bat for Mesa. Madison and Buckles worked for Normal. Madison struck out 13 men and held the Mesa team to five hits.

Lauffer struck out eight, Newell whiffed two.

You Gou of Mesa umpired a good game. The game, which was played on the Mesa grounds, was attended by a good sized crowd of fans.

Tempe high will play the Indians at Phoenix this afternoon.

State's Attorney
Starts Another
Baseball Probe

CHICAGO, March 18.—A second investigation into the 1919 world's series, which was played by the Chicago White Sox players, was started today by State's Attorney Robert E. Crowe before the Cook county grand jury. Mr. Crowe told the jurors, in outlining his plans, that he would bring them new evidence which would justify indictment of the men whose cases were dropped or taken off the court call yesterday, and also would incriminate men not indicted at the inquiry.

Mr. Crowe planned to call B. B. Johnson before the jury today, but could not reach the American league president. Mr. Johnson, however, will be an early witness, the state's attorney said. Today he merely outlined the case to the jury.

Mr. Crowe said he would complete his presentation of evidence in about a week and that the jury then would be in a position to decide whether to indict.

The inter-church league got off to a start Thursday evening with a game at the town park between the Methodist and the Second ward team, with the former club won, 11 to 6, in five innings.

Stokes, working in the box for the Methodists, had something on the ball and managed to keep it where the ward men couldn't connect. On the other hand, Vern Riggs, working for the Second ward, had everything on the ball that the batters could wish for and they picked the old pill out into all corners of the lot for everything from singles to a home run. The old veteran, Dutch Stapley, relieved Riggs for the last inning and managed to hold down the score. Seven innings the battle was supposed to go, but the ward men had enough in five and the Methodists were run down and satisfied, so they called it quits.

E. H. Austin, for many years caretaker of the L. D. S. auditorium on West Main street, passed away Friday morning at 6 o'clock following a lingering illness from Bright's disease. Funeral services will be held Saturday afternoon at 2 o'clock at the W. A. Burton undertaking parlors, Bishop Hunsaker officiating.

TRACK MEET THIS AFTERNOON

This is the day the town athletes compete with the high school boys in the big annual open track and field meet.

Athletes cannot be successfully developed without competition that gives the younger boys a pace to follow and something to work for. To that end Athletic Director Christensen, Track Coach "Roy" Heidenreich have arranged for an open meet this afternoon in which the old stars will compete with the high school boys and in old fashioned meet.

College graduates, ex-high school men and athletes from all parts of the country now claim Phoenix as their home. These men will do their athletic suits this afternoon and get back into harness as they did years back when their favorite team was working for championship honors. In addition to getting a taste of the old sport the town athletes are anxious to help the high school develop athletes who will be able to compete in national events.

The material is here, if properly developed; Coach Heidenreich has proved his ability to develop real athletes in the northwest and he feels confident Phoenix high has plenty of material to work on and Trainer Lewis has been engaged to assist in the work. With every opportunity for real work Phoenix high will soon be attracting attention in national athletic circles.

Today's open meet will be held on the high school grounds starting at 2:30 o'clock. No admission will be charged; the event is free to contestants and spectators with an open invitation to all.

The list of town athletes who will compete with the high school boys this afternoon includes some former track stars of prominence and some who have never gained the sport spotlight, but who still possess the physical prowess that means setting a fast pace for the high school boys.

Manager Hoagland has a real team coached under the direction of Francis Geary and Wilbur Clark. Messrs. Geary and Clark will also wear spikes and unies in the competition events.

Alumni boys will be out with "pop" spreading in all directions, and the Coyotes are laughing up their sleeves

Shaun Spadah Wins
Grand Steeplechase

LIVERPOOL, England, March 18.—The grand national steeplechase was run today over the Aintree course near here, and was won by Shaun Spadah. The Bore was second and All White third. Odds of 100 to 3 were laid against Shaun Spadah, 9 to 1 against The Bore, and 33 to 1 against All White. Thirty-six horses started.

Its going to be a big day for the old heads and wonderful experience for the Coyotes, with alumni and high school students falling in line for a grand old time. This will be an annual event and the first one should be a "bummer."

Don't forget the time—2:30 o'clock this afternoon at the high school.

Creighton School

The batteries for yesterday's game were: Creighton, Jeff and Stori; Osborne, Monnet and Laphoran.
